

The pay of the British private soldier is to be doubled, while in active service, the difference being placed to each man's credit in savings bank until his discharge.

**GRASSHOPPERS.**—The grasshoppers have devoured nearly all the crops in the Territory of Utah, and the Mormons are threatened with a famine in the land. It is said that they push themselves out of the earth by billions and trillions and their flight is such as to darken the sun.

**Dr. Hoffman's German Bitters.** prepared and sold by Dr. Jackson, at the German Medical Store, 130 Arch st., Philadelphia, daily increase in their well deserved celebrity, for the cure of all diseases arising from derangement of the Liver. These bitters have, indeed, proved a blessing to the afflicted, who show their gratitude by the most flattering testimonials. This medicine has established for itself a name that competitors, however they may strive to outdo it, cannot reach. It gained the public confidence by the immense benefits that have been derived from it, and will ever maintain its position.

**GREAT CURE OF RHEUMATISM.**—The Editors of the Richmond Republican, of Dec. 24, 1852, say that Carter's Spanish Mixture is no quack medicine.

They had a man in their press room who was afflicted with violent rheumatic rheumatism, who was continually complaining of misery in the back, limbs and joints; his eyes had become ferocious and matter, neck swollen, throat sore, and all the symptoms of rheumatism, combined with Scrofula. Two bottles of Carter's Spanish Mixture cured him, and in an editorial notice as above, they bear testimony to its wonderful effects, and say their only regret is, that all suffering with diseases of the blood are not aware of the existence of such a medicine. They cheerfully recommend it. See their certificate, and notice in full round the bottle.

**"MEDICINES OF GREAT VALUE."**—This is the term applied to STABLEY'S ANODYNE CHERRY EXPECTORANT and DIARRHOEA CORDIAL, by sixteen of the best apothecaries in Baltimore—gentlemen acquainted with the skill and care used in their preparation. Praise from such a source is proof of the intrinsic merits of these "good medicines." In Coughs, Colds, Asthma, Bronchitis, Croup, and Consumption in its incipient stages, Stabley's Anodyne Cherry Expectorant is recommended with confidence; and for Diarrhoea and affections of the bowels generally, the Diarrhoea Cordial has as strong claims upon the confidence of the community. In those diseases named, both these valuable medicines have achieved an enviable reputation for their curative properties. See descriptive pamphlets, to be had gratis of the agents. Price of each, only 50 cents per bottle, or six bottles for \$2.50.

**BEWARE OF MALARIA!!**

**RING'S REMEDY**

For Fever and Ague, Bilious, Remittent and Intermittent Fevers, and all their kindred diseases, a safe Medicine adapted for all constitutions and all climates.

The statistics of the above class of diseases show an alarming increase within the last few years; and as they are not only directly fatal in many cases, but also lead indirectly to consumption and other maladies of the most deadly character, it is of the highest importance to society that a certain means of cure exists that should be universally known.

Such a specific does exist. Ring's Remedy, a compound of vegetable extracts, the product of six years of research and experiment directed by medical and pharmaceutical skill of the highest order, it is now offered to the world as a preparation that will literally extinguish Fever and Ague and its kindred maladies, with the same certainty that water extinguishes fire. Its effects are not superficial. It reaches the fountain-heads of the disease in the liver and spleen, and purifies the system of the virus which it is sustained. It does not merely mitigate symptoms, but removes their cause, and is as essential to the health of the resident in the West, South-west and South, and in fact to every human being who breathes an atmosphere impregnated with the fumes of vegetation or animal decay, the vapors from stagnant water, or the malarial arising from any unwholesome surface, as the aliment upon which he or she subsists. It has been tested in some thousands of cases in private practice, without the occurrence of one failure, and the proprietor, from his own experience of its effects, does not hesitate to affirm to it his personal guaranty.

**DALBY'S GENUINE PAIN EXTRACTOR.**—Its friends are the Million—and intelligent! Its enemies, the ignorant—the bigoted—the selfish—and the criminal counterfeiter! The honest and unassuming are imposed on by the latter, who cunningly endeavor to live at the expense of the more honest and paltry gain. I leave it to a discerning and impartial public to decide, what punishment the wretch deserves, who could inflict pain and suffering, and hazard the life of a fellow creature, for the mere sake of benefiting his own pocket.

DALBY'S GENUINE EXTRACTOR will subdue the pain and inflammation from the severest burns or scalds, in from one to twenty minutes—and that it will heal the wounds without scars; and effectually cure Fever Sore—Piles—Salt Rheum—Inflammatory Rheumatism—Sore and Inflamed Eyes—Cuts—Wounds—Bruises—Old and Incurable Sores—Scald Head—Corns and Bunions—Erysipelas—Sprains—Swellings—Felon's—Chilblains—Bites of Insects—Swelled and Broken Breast—Sore Nipples—Eruptions—and all other inflammatory and cutaneous diseases, where the parts affected can be reached.

Don't be misled by the many diseases named, to be cured by only one thing—but reflect, that the few, but positive properties which the Dalby's Salve contains, and as before mentioned, are to four—can reach not alone the above mentioned diseases, but many more not enumerated.

**LAND WARRANT SPECULATORS.**—Up to last evening the total number of applications for warrants under the bounty land law of 1855, had reached the enormous aggregate of 191,500—800 of which was received yesterday. We presume few, very few indeed, of those applicants will be rejected, as the law grants the facilities of obtaining a portion of the public domain to all who ever handled a gun or a sword for a fortnight for their country's protection, or even her pretended protection. Not one acre in one hundred to be given under this law, will be settled on the warrant or his heirs. The speculators being the parties in whose favor the patents must be issued. One has but to be in Washington for a brief season to understand how completely the speculators came "the poor old soldier" over Congress, in accomplishing the enactment of this bill.—Washington Star, 17th.

**RECIPE TO MAKE BLACKBERRY WINE.**—To every three pints of berries add one quart of water, suffer it to stand twenty-four hours, strain through a colander, then through a jelly bag, and to every gallon of the juice add three pounds of good brown sugar, the white of two eggs beaten to a froth, and stirred in the juice, a little spice, with two dozen cloves beaten together, and one nutmeg grated, should be put in a small linen bag, and dropped in. After all are mixed, put it in a stone jug, filled up, and kept full with some of the same juice reserved for the purpose, until it is done working, which it will be in two or three weeks. Cork it tightly and keep it in a cold place, for three or four months, then pour it off into bottles, with a little loaf-sugar in each bottle, cork and seal close. If the wine is kept for twelve months, it will be still better, and it will continue to improve with age.

**Preserve Bottles.** FIFTY doz. one quarter gallon Preserve Bottles; 25 doz. one half gallon ditto; Just received and for sale low by CADOT, HENKING & CO.

N. B. Corks will be furnished for above Bottles if desired.

**Good Medicines.**

It is estimated that AYER'S CATHARTIC PILLS have done more to promote the public health, than any other medicine. There can be no question that the Cherry Pectoral has by its thousand on thousand cures of Croup, Whooping Cough, Asthma, Croup, Influenza, Bronchitis, &c., very much reduced the proportion of deaths from consumptive diseases in this country. The Pills are as good as the Pectoral and will cure more complaints.

Every body needs more or less purgation. Purge the bowels from its impurities. Purge the bowels, Liver and the whole visceral system from obstructions. Purge out the disease which fasten on the body, to work its decay. But for disease we should die only of old age. Take antitoxins early and thrust it from the system, before it is yet too strong to yield.

Ayer's Pills do thrust out disease, not only while it is weak, but when it has taken a strong hold. Read the astonishing statements of those who have been cured by them from dreadful Scrofula, Dropsy, Ulcers, Skin Diseases, Rheumatism, Neuralgia, Dyspepsia, Internal Pains, Bilious Complaints, Heartburn, Headache, Gout, and many less dangerous but still threatening ailments, such as pimples on the face, Worms, Nervous Irritability, Loss of appetite, Irregularities, Dizziness in the head, Colds, Fevers, Dysentery, and indeed every variety of complaints for which a Purgative Remedy is required.

These are no random statements, but are authenticated by your own neighbors and your own Physicians.

Try them once, and you will never be without them.

Price 25 cts. per box—5 boxes for \$1.50.

Prepared by Dr. J. C. Ayer, Chemist, Lowell, Mass., and sold by all respectable Druggists every where.
